# OUR ONLINE GERMAN CLASSES

Around 130 million people worldwide speak German as their mother tongue. Germany is not the only country where it is spoken. It is the official language of Germany, Austria, Switzerland, Liechtenstein, Belgium, and Luxembourg.

**Do you speak  
german?**

**For Professionals,** Having German language skills on your CV can help you to procure a bright career especially in medicine and healthcare, education, logistics, automobile, power and utility, mass media, entertainment, tourism, information technology, financial services, outsourcing, etc. in Germany.

**For Students,** Germany offers various courses spread across multiple bachelor's, master's, doctoral, and post-doctoral programs. Majority of Germany's academic institutions are free for students, even international students. Higher German language skills will help you to find an esteemed University.

We have highly qualified teachers, the latest teaching methods, intensive mentoring and advice, as well as a course level system that is internationally valid. Students of all levels are offered suitable curriculum for their communicative needs.

# LEVELS

## A1

Can understand and use familiar everyday expressions and very basic phrases. Can introduce him/herself and others and can ask and answer questions about personal details such as where he/she lives, people he/she knows and things he/she has. A1 certification is mandatory to apply for a family reunification visa.

## A2

Can understand sentences and frequently used expressions related to areas of most immediate relevance. Can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters. A2 certification is mandatory for non healthcare professionals to apply for a job in Germany.

## B1

Can understand the main points of clear standard input on familiar matters regularly encountered in work, school, leisure, etc. Can deal with most situations likely to arise whilst travelling in an area where the language is spoken.

## B2

Can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in his/her field of specialisation. Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party.
